

AFRICA MAXIMUM SAFARIS – KRUGER PARK TOURS 2012

Itinerary and Pricing

We offer a 3 day Kruger Park photographic safari tour. We do not do the Kruger park tour in less than 3 days; clients can request to be quoted on extended tours of up to 8 days.

We transfer clients after their safari with us from our camp in the North West Province to Kruger Park. It's a 5-hour drive to get to the southern gate of Kruger from Africa Maximum Safaris camp.

ITENERARY

- Day 1 - The first night will be in one of the camps inside Kruger Park. It is a wonderful experience to stay at one of these camps. We like to use the following camps: Lower Sabie, Pretorius Kop and Skukuza. (The camp where the safari group will stay will depend on availability when booking the safari tour).
- Day 2 – This is how a typical day would look like: First thing in the morning you go on a game drive, return to camp at 8am for breakfast. After breakfast we continue the drive. We have lunch depending on where we are, finish the game drive and return to camp at 5:30 pm. This will be the program for 2 days. You will see an array of different species and hopefully get to see at least some if not all of the big 5. Elephant, Rhino, Buffalo is seen fairly frequently although lion and leopard sightings are more rare. Dinner will be at the main restaurant at the camp where you will stay.
- Day 3 - We exit the Park and go on a tour of the Eastern escarpment. From the escarpment you will see some breath-taking views of the Kruger Park Lowveld. Here we visit places like Pilgrims rest – museum town of the old gold field, visit the potholes, God's Window and then African craft shopping at Graskop's renowned curio markets. We spend the 3rd night at either the Graskop hotel, Boulders Game Lodge or Crystal Springs Mountain Resort in the area. (Client's preference) The other option is to spend another night in the Kruger Park.
- Day 4 - We transfer the safari group back to Johannesburg airport. From Kruger Park this is a 5 hour drive and from Graskop 4 hours. We lunch at Dullstroom or Witbank depending on the progress made in distance.
